

## Welcome to Guardian Angels' Outside School Hours Care (OSHC)

Transition from Childcare/Kindy to Prep is the next big adventure for your family.

“Big School” will bring many new challenges and environments for your child, but don't worry, as they discover new friends and develop amazing relationships they will handle these challenges brilliantly.

While you need to work or study, we at OSHC will guide your little ones on their journey through their time at school. We provide a nurturing, caring and supportive environment to help them grow and learn and become more independent.

The OSHC is situated in the Multipurpose Room below the Library on the Mount Carmel campus. As well as catering for before and after school care, we also offer Vacation Care and Pupil Free Days.

We provide nutritious snacks, and cater for dietary requirements and medical conditions.

When it is time for school during Before School Care, our educators will safely escort the Prep to Grade 2 children across the road to the Guardian Angels Campus, where the Prep Children will be supervised until their teachers are in attendance. In the afternoon, we collect the Preps from their classrooms and walk them over as a group to the Mount Carmel side for afternoon tea and fun activities.

Access to the service is off Pine and Chestnut streets where most parking can be found.

For Enrolment Packages or enquiries please email: [wynnumoshc@catholicearlyedcare.qld.edu.au](mailto:wynnumoshc@catholicearlyedcare.qld.edu.au)  
or call 0429 428 768.

We look forward to meeting you and your family.

Best Regards,

Kerrie, Josiah & all the Educators.
